

CITY OF LODI

COUNCIL COMMUNICATION

AGENDA TITLE: Approve Renewal of Contract for Radio Maintenance Service and Repair (\$16,310.00)

MEETING DATE: June 21, 2000

SUBMITTED BY: Information Systems Manager

RECOMMENDATION: That Council renew contract with Delta Wireless for radio maintenance service and repair for the balance of the calendar year.

BACKGROUND INFORMATION: The City contracted with Delta Wireless in 1998, under a two-year contract, to service radios for Police, Fire, Public Works, Electric, and Parks and Recreation. The aforementioned Departments have had their radios maintained and serviced by Delta and have been pleased with the service provided. Upon approval of the two-year contract, the City was given the option to renew the contract for an additional year.

Delta Wireless has serviced the City's radios for the past 6 months on a month-to-month basis pending contract renewal. Staff has been unable to bring this before Council due to other priorities such as Y2K, the Police Records Management System, Information Systems vacancies, and general overall workload. It is staff's recommendation that the contract be extended for the remainder of this calendar year, after which time staff will solicit requests for bids for a new contract.

Delta Wireless has not increased the cost of the contract and will provide the service at the same rate established for the original two-year contract. The term of the renewed contract will expire December 31, 2000.

Funding: Operating accounts of each department
